

GRADE ONE HOMEWORK PLAN - 2022

HOMEWORK RULES

1. Complete all papers in the homework folder each day and return them to school the next day. (If there is something that is unclear or difficult, just write a note on the paper and we will clarify it in school. Homework should not be stressful.)
2. Read words from the Word List daily. (Say the word, spell the word, and say the word again.)
3. Read from our practice reader or school reader daily.
4. Practice math daily.

FOLLOW UP

1. Complete and return homework the next day.
2. Work is marked "LATE" when it is turned in late.
3. Contact parents if a pattern forms.

TEST SCHEDULE

Spelling and Phonics Tests are taken every Friday. Handwriting is graded on each Spelling Test. The Handwriting grade is written under the Spelling Test grade. On the back of the Spelling Test paper, the students write three dictated sentences and correctly capitalize and punctuate them for a weekly English grade.

Math tests will be given at the end of each Unit taught. If you review the lessons daily and save the worksheets to study from, your child will be ready for the tests.
